Be it known to all who enter here that Christ is the reason for this school. He is the unseen but ever present Teacher in its classes. He is the model of its faculty and the inspiration of its students.

Dear Parents, Alumni and Friends of the Academy,

It is a blessing to have you as part of the 23rd Annual SJA Spectacular Auction. We say thank you to all who have donated items, to all who volunteered to make this a great experience, and to those in attendance to enjoy the fun and fellowship of the Night.

We are especially grateful to the businesses and generous families who helped to sponsor this evening and likewise to those who prayed for its success.

Our auction provides invaluable resources to us as we further our mission. The proceeds ultimately support our operating budget and assist us in providing financial aid to those who truly want a Catholic education, but need help to make it happen.

From all of us at St. Joseph Academy, let me again thank you for your support. Enjoy the evening!

In Christ’s peace,

Todd DeClemente

Principal
St. Joseph Academy
Our Thanks to You

We at St. Joseph Academy sincerely thank you for your support of, participation in, and assistance with our annual Dinner-Auction. We are committed to serving the needs of our students in the highest tradition possible and in an environment of caring and Christian values. Your generous support is a blessing in this most important endeavor and we are most grateful.

St. Joseph Academy extends a sincere thank you to all the businesses, sponsors, parent volunteers, student volunteers, alumni, “friends of the school” and others who have given their time for this event, provided services, placed advertisements, donated auction items or helped in any other way. Your generosity is gratefully acknowledged! The SJA SPECTACULAR AUCTION simply could not happen without your support and participation.

Fundraising is Not Optional

Fundraising has been an ongoing endeavor at St. Joseph Academy for as long as most of us can remember. It seems that the school is always asking for help or donations - that’s not hard to forget but the reason is often forgotten.

Tuition and fees do not cover the cost of running St. Joseph Academy and much of the difference is made up by fundraising. Monies raised are an essential part of each year’s operating budget, without which, many programs would be curtailed or discontinued. SJA does not receive federal, state or local government money. That’s why it is up to each of us to support the efforts of the Academy in the education and Christian formation of our young people. We send our children here for important reasons and those reasons oblige us all in special ways.

The real beneficiaries of our fundraising are our children and grandchildren. That is why your generous support is so important and so needed.

Your sustaining generosity is greatly appreciated and we thank you for your participation which is crucial to the success of our Annual Dinner Auction. Together we make a difference in the lives of our outstanding SJA students.

RAISE YOUR PADDLE FOR SJA

Thank you for your Support of St. Joseph Academy!
Silent Auction Rules

Silent Auctions will be held throughout the evening.

Each of the Silent Auction Table items has a bid sheet. To place a bid, clearly write your Bid Number (Paddle Number) on the bid sheet. Lowercase letters below an item number indicate multiples of identical items.

**Guaranteed Purchase Price:** At the bottom of the Bid Sheets you will see Guaranteed Purchase Price and an amount higher than the value of the item. If you are willing to pay this price to secure the item, sign your name legibly on the Bidder’s Signature line and write in your Bid Number (Paddle Number).

Prior bids are rendered void by this action.

When the tables close, bid sheets will be removed from the Silent Auction Tables. Items will be released to the winning bidder with a paid receipt.

The official closing of a table will be announced and there will be signs on all the Silent Auction tables, giving the table closing times. A minimum of five (5) minutes notice will be announced prior to the closing of each table. **You may pay for your winning bid items 30 minutes after a table closes or at the end of the evening.**

An authorized person may disqualify your bid if it is not clearly marked with the bid number. Any bid after the official closing of a table will not be honored. Please write clearly.

All sales are final and there will be no exchanges or refunds. All items are sold “as is.” Values set forth opposite items being auctioned are donor’s estimates and are not warranted by St. Joseph Academy for tax purposes or for general value. No warranty, express or implied as to the merchantability, fitness for any purpose, continued availability or completeness of any product or service is given by St. Joseph Academy.

Items may be removed only by exhibiting a “paid” receipt.
Live Auction Rules

We welcome Richard Craney, Professional Auctioneer.

Live Auction will start following Dinner and Dessert.

To place a bid, raise your Auction Paddle so it is clearly visible to the Auctioneer. Once a final bid has been accepted on an item, that item is sold.

All sales are final and there will be no exchanges or refunds. All items are sold "as is."

Values set forth opposite items being auctioned are donor’s estimates and are not warranted by St. Joseph Academy for tax purposes or for general value. No warranty, express or implied as to the merchantability, fitness for any purpose, continued availability or completeness of any product or service is given by St. Joseph Academy.

Items may be removed only by exhibiting a "paid" receipt.

St. Joseph Academy makes no express or implied warranties on auction items or services.

Unless otherwise stated, all auction services must be used in 2020-2021.
Check Out Procedures

Here are some pointers and tips for check out during and at the conclusion of the SJA SPECTACULAR AUCTION 2020.

Payment for all your auction merchandise will take place in the Gym lobby, where the Cashier area is located.

You may pay with cash, check or Visa, MasterCard, Discover or American Express. For all purchases, we prefer cash or check to avoid credit card fees, which are particularly high especially for purchases under $100.00.

If you wish to pay for your items after one of the Silent Auction tables has closed, please allow 30 minutes for the paperwork to be processed.

All items must be picked up by the evening’s end.

Please Note

Donors who purchase items at a charity auction may claim the charitable contribution deduction for the excess of the purchase price paid for an item over its fair market value. The donor must be able to show, however, that he or she knew that the value of the item was less than the amount paid.

The Auction Program provides a good faith estimate of the fair market value of items that are available for bidding. If the donor pays more than the published value, the difference between the amount paid and the published value may constitute a charitable contribution deduction.
Benefit Auctioneer Sherry Truhlar works closely with Richard Craney in the benefit auctions arena. Richard comes highly recommended by Sherry, who did not have our date available this year.

Sherry, Richard and I have planned together and collaborated to make our 23rd Annual SJA Spectacular Auction a stupendous success!

Richard Craney is a 25-year veteran of the auction industry and runs fundraisers for Red Apple Auctions both in and out of the USA. With so much time spent on a plane, he enjoys putting his feet on the ground. An avid runner, he’s successfully completed 15 marathons with a personal best of 3 hours, 31 minutes at the Walt Disney Marathon. He and his wife of 17 years, Angela, both enjoy the sport and compete around the United States. (He also enjoys unicycling and juggling, but admits he’s perfected neither one.) Originally from Florida, he now resides in the Raleigh, NC area with his wife, his dog Dexter.

1  WHISKY AFICIONADO’S LIQUID PERFECTION BASKET

A whiskey tasting party with likeminded friends is but an invitation away. The answer to a whiskey aficionado's dream. Debate the merits of drinking whiskey neat, with water or with ice, pour a dram from each bottle into the four included Gurkha whiskey glasses, and let the sharing and comparing begin. This seven-bottle basket holds five bottles of whiskey, a bottle of rum, and as a finale - a bottle of aged Port: 1) The Glenlivet-aged 15 years-this bottle of Single Malt Scotch Whiskey is smooth and perfect for a novice whiskey sampler. 2) For an enhanced Angel's Share effect, you can't beat a bottle of Glenlivet Single Malt Scotch Whiskey aged 18 years; comparing the two will liven discussion. 3) A bottle of Woodford Reserve Kentucky Bourbon Whiskey contains more than 200 detectable flavor notes that will spark interest. 4) Brewed in a 200-year-old Kentucky distillery under the direction of a Master Distiller, a bottle of Buffalo Trace Kentucky Straight Bourbon Whiskey has an after-taste finish renowned as being long and lush. Try it and see if you concur. 5) Kirk&Sweeney Dominican Rum comes from Santiago de los Cabelleros, Dominican Republic. Aged 12 years, this special blend features the taste of vanilla and toasted oak-living up to its logo of "rum worth pursuing". 6) Housed in the historic FP&L Ice Plant circa 1907 - the St. Augustine Distillery's Double Cask 4 year old Bourbon is the product of a locally founded and community owned undertaking, and it is a Bourbon deserving of its location. 7) When the whiskey tasting is complete and cigars can no longer interfere with the whisky’s flavor and aroma, break out the finale - cigars and a fine bottle of Porto. Taylor Fladgate Port hails from the extensive reserves of old cask aged Ports matured n the collar lodges in Oporto on Portugal's Atlantic Coast. In this 20 year old tawny Port, the fruit has mellowed nicely, and it is a perfect compliment to dessert or to sip while enjoying cigars. Nine cigars hand-made in the Dominican Republic, a five cigar Monte Cristo set, and a set of 6 Perdoma Cigars are the perfect finale of a whiskey tasting private party, or any special occasion.

GINA TORKOS ORIGINAL COLLAGE "DOUBLE VISION"

Gina Torkos is an emerging American collage artist who delights in creating intricate works with different layers of interpretation rewarding the observant. "Double Vision" showcases two wine glasses filled with white wine that seem almost intertwined. But look further and there is a subtle written love message near each glass with a message of intimacy and love. "Double Vision" is bright and its images, words, and phrases create a romantic mosaic. Showing Torkos' philosophy that not everything is as it first appears, "Double Vision" invites you to reconsider what you thought you saw at first glance. This fascinating giclee will be perfect for a special wedding or anniversary gift. It comes with a certificate of authenticity.

7101  C. Ford Riley Red Hooded Woodpecker Original

The original paintings of C. Ford Riley are found in private collections, art galleries, and homes throughout America and beyond. His paintings are prized for the artist’s unmatched ability to capture Florida’s natural wildlife and evoke an accurate sense of place. He does so in an easy manner due to his lifetime immersion amid Florida’s marshlands and forests. This intimate knowledge allows him to capture Florida’s depth of natural beauty in an unforced manner. This painting’s background of Old Florida Oaks covered in moss with its rich level of detail is a Riley hallmark— it evokes a sense of being there and being one with the beauty of an unspoiled Florida.

The Red Headed Woodpecker in the forefront gazes expectantly towards the bright Sailors Sky background that illuminates the canvas. Is it sensing danger, waiting for its mate, or simply enjoying the warmth of a perfect Florida day? The breathtaking color and perfect feather detail of the woodpecker along with its watchful and inquisitive gaze lend a sense of expectancy. The painting showcases Riley’s gift of combining realism in his use of detail alongside a use of brush strokes creating a feeling more akin to impressionistic painting.

The “Red Headed Woodpecker at Orangedale” captures the feel of a Florida that is untouched by man. C. Ford Riley is a passionate conservationist who has spent his lifetime studying Florida wildlife and nature. His ability to capture nature in mediums of watercolor, oil and acrylic, have led to many state and national recognitions. While he is also known for his commission by members of Congress to paint the “Laura Bush Rose” (presented as a gift to her for her service as First Lady), his passion for painting the beauty of Florida’s natural settings and wildlife are his hallmark as an artist.

The subtle balance of art and nature for which C. Ford Riley is known is richly showcased in the “The Red Headed Woodpecker at Orangedale” which is accompanied by a recent Certificate of Appraisal valuing this impressive work of art at $15,000.
